

Jonathan Satriani Gracio Andrianto

Date of birth: May 12th 2007

Phone number: 082183536987

Email address: minelylitaay06@gmail.com

Web: <https://github.com/JonathanAndrianto123>

Profile

College student in Informatics with strong time management and organizational skills, developed through balancing coursework, projects, and campus activities. Experienced in building fullstack web applications using React.js, Node.js, and databases such as MySQL and MongoDB. Familiar with REST API integration, SQL, and Git-based workflows. Detail-oriented, fast to learn, and ready to contribute to developing scalable and maintainable applications in a collaborative team environment.

Projects

IPShield — Next.js Chrome Extension

Built a Web3 hackathon project using **Next.js** in a team environment.

Contributed to frontend UI and API integration under a tight deadline. **Tech:** Next.js, JavaScript

Github : <https://github.com/theodhorex/hackathon>
